**VISIT OUR WEBSITE FOR MORE INFORMATION ON ALL OF OUR PRODUCTS.**

Go to [www.fp-supply.com](http://www.fp-supply.com), and then go to resources and select Northwest Arkansas. Here you'll have detailed access to all of our products. Every product page includes relevant information you're looking for, including available sizes, photos, videos, PDF's of installation guides, product brochures, MSDS sheets, specifier's guides, and more.

The best part is that everything is designed for the dealer to be able to share with their customers, so we don't include any pricing on these pages. Use this as a selling tool and share these product pages and links with your customers to help close sales. It's also a mobile-friendly site so you can access this on a jobsite with a smartphone or tablet.

# OUR POSTERS

We have created New Posters intended for product store signage. Our new posters are designed to be both informative and eye-catching to help educate your customers and drive sales. They are available free of charge and are easy to put on a wall, corkboard, countertop, etc.

If you would like to request some posters for your store, go to [www.fp-supply.com/fp-posters-nwa.html](http://www.fp-supply.com/fp-posters-nwa.html) and fill out our online form or call us at (479) 412-4700. The posters measure 20" x 30" and feature a QR code that can be scanned that takes the customer to our website for more comprehensive information.

### **Features & Benefits:**

- Superior water holdout - blocks water from entering the wall cavity.
- Exceptional moisture vapor transmission (MVT) - it breathes so moisture can escape the wall cavity.
- Superior tear strength - proven to withstand heavy winds and is almost five times stronger than the leading competitive wrap.
- Optimal surfactant and UV resistance - reduces the damaging effects that oils and tannins from cedar siding, cement siding, stucco, brick, and soaps from power washing can have on the system's ability to block bulk moisture penetration; stands up to the beating sun on the job site for up to 6 months without degradation.

# EASYTRIM REVEALS

EasyTrim Reveals® are a two-piece aluminum trim system that snaps together to protect your siding. Compatible with a wide range of siding solutions, EasyTrim Reveals® will save you time during installation while providing best-in-class weather protection and durability for the future.
