### **Forest Products Supply Co. Adds LP® SmartSide® Trim & Siding to Product Portfolio**

*New partnership gives customers access to LP SmartSide products, dedicated sales support, and reliable delivery*

**ST. LOUIS (Sept. 29, 2026)** – Forest Products Supply Co. today announced a new partnership with [LP Building Solutions](#) (LP) through which it has been selected to distribute the full LP® SmartSide® Trim & Siding portfolio throughout Arkansas, Kansas, Missouri, and Oklahoma.

The addition includes LP® SmartSide® ExpertFinish® Trim & Siding, the LP® SmartSide® ExpertFinish® Naturals Collection™ Trim & Siding, primed siding, trim, soffit, shakes, panels, and all other SmartSide products.

The announcement is part of LP's new national distribution strategy to increase and simplify access to the SmartSide portfolio across the United States. As a new LP SmartSide distributor, Forest Products Supply Co. will help serve customers and support the brand's continued growth throughout its market.

"We're proud to begin our relationship with LP and bring LP SmartSide products to customers throughout Arkansas, Kansas, Missouri, and Oklahoma" said Forest Products Supply Co. Vice President Dan Millman. "LP SmartSide Trim & Siding is one of the most recognized and fastest-growing siding brands in the industry. Adding it to our offering will allow us to provide builders, dealers, and contractors with innovative products backed by knowledgeable support and dependable service."

Through the partnership, Forest Products Supply Co. customers will benefit from:

- Access to the full LP SmartSide Trim & Siding portfolio
- Broad product availability across the LP SmartSide line
- Dedicated sales representatives with product and market expertise
- Reliable logistics focused on delivering orders accurately, completely, on time, and without damage
- A streamlined purchasing experience backed by responsive service and support

[LP SmartSide Trim & Siding](#) combines the beauty of traditional wood with the advanced durability of engineered wood. SmartSide products are treated to the core through LP's proprietary SmartGuard® manufacturing process to help resist moisture, fungal decay, and termites for long-term strength and durability in a variety of weather conditions. The portfolio offers a range of styles, textures, profiles, and finishes, including 16 ExpertFinish colors and the authentic wood look of the Naturals Collection. LP SmartSide products are backed by an industry-leading 5/50-year prorated limited warranty, including a five-year, 100% labor and material replacement warranty, along with a 50-year prorated substrate limited warranty.

"Forest Products Supply Co. has the customer relationships, sales expertise, and logistics capabilities to help grow LP SmartSide products throughout Arkansas, Kansas, Missouri, and Oklahoma" said LP Chief Commercial Officer Craig Sichling. "Its decision to carry the complete portfolio will make it easier for customers to find the products they want and receive the service and support required to grow their businesses. We're pleased to welcome Forest Products Supply to our distribution network."

The new relationship adds the LP SmartSide portfolio to Forest Products Supply's offering of leading building products, giving customers access to a broader selection of exterior building solutions through a trusted partner.

LP SmartSide products will be available through Forest Products Supply branches in Lincoln, Arkansas; Kansas City and Newton, Kansas; St. Louis, Missouri; and Oklahoma City, Oklahoma beginning October 2026.

For product availability and other information, contact your local Forest Products Supply branch or visit [FP-Supply.com](https://www.fpsupply.com).

#### **About Forest Products Supply Co.**

Forest Products Supply/F.P. Supply is a leading wholesale distributor of lumber and building materials in the Midwest. Since the company was started in St. Louis, Mo in 1987, we have grown to 8 locations serving over 3,000 customers in 15 different states. Our St. Louis, Kansas City, Newton, Oklahoma City, Omaha and Northwest Arkansas locations are known in the marketplace as "Forest Products Supply." Our Indianapolis and Columbus locations are known in the marketplace as "F.P. Supply." All of our locations share common ownership.

Our focus and mission are to be a low-cost provider of building materials while also having the most diverse product mix and largest inventory in the market. Our product mix currently consists of over 3,000 products from over 150 vendors ranging from general commodities to specialty products. Each of our locations specializes in Trus Joist engineered wood products and each location has a full service engineered support staff to assist with design and layouts. We pride ourselves on our large product mix, ample inventory supply, and prompt delivery capabilities.
